

LIVE UNITED 365 Small Business Challenge

The United Way of East/Central Texas is continuing a fundraising program designed for small businesses in 2016. With the Live United 365 Small Business Circle, businesses become members by donating \$365 per year in one of three ways:

- Making a direct contribution to the United Way (quarterly billing available)
- Encouraging staff members to raise the money or hosting a fundraising event, such as an in-store benefit
- Sales promotion with proceeds benefiting the United Way

The United Way hopes to get 100 small businesses on board this year. Participants will receive a window cling to let others know they're part of the program, and will be recognized in an advertisement later in the year.

To be part of the Live United 365 Small Business Circle, complete the form below and return to:

*United Way of East/Central Texas
PO Box 35
Palestine, Texas 75802*

Business Name: _____
Address: _____
Office Contact: _____ Phone: _____
